CHRISTIAN CHURCH
Sermon subjects for next Sunday
Morning—"Singing with Braces in the Heart to the Lord."
Evening—"Standing on the Happy Side of a Task Well Done."
All are cordially invited to worship with us. Come then, next Lord's day to the Christian temple, and join in the praise and worship of God. A hearty welcome awaits you. At the evening service next Sunday there will be three baptisms, all men. Men of the city, you will want to witness this service.

There was a splendid audience at the L. O. O. F. memorial services last Lord's day and one person was received by statement into the membership of the church. On account of the rain and bad walking the evening congregation was somewhat small, but one person was received by statement and two men made the good confession. It is our fervent prayer that the good work may continue. Let the entire membership rally now and God will make us the recipients of His favor and blessing.
On June 23rd, the dedication of our new house of worship will take place. Geo. L. Snively will be present to preach and officiate at the dedicatory services. There will be three great services that day: morning, afternoon and evening.

The other churches and pastors have been invited to worship with us that day.
No man in the city can afford not to hear Geo. L. Snively. He has a great mind, and a great heart and great experience, in short, he is just such a preacher as men delight to hear.
A cordial invitation is hereby extended to everybody to attend these dedicatory services on June 23rd.
H. G. BOND, Pastor.
